

**‘Collaborative Foresight:
exploring the circle of securities’**

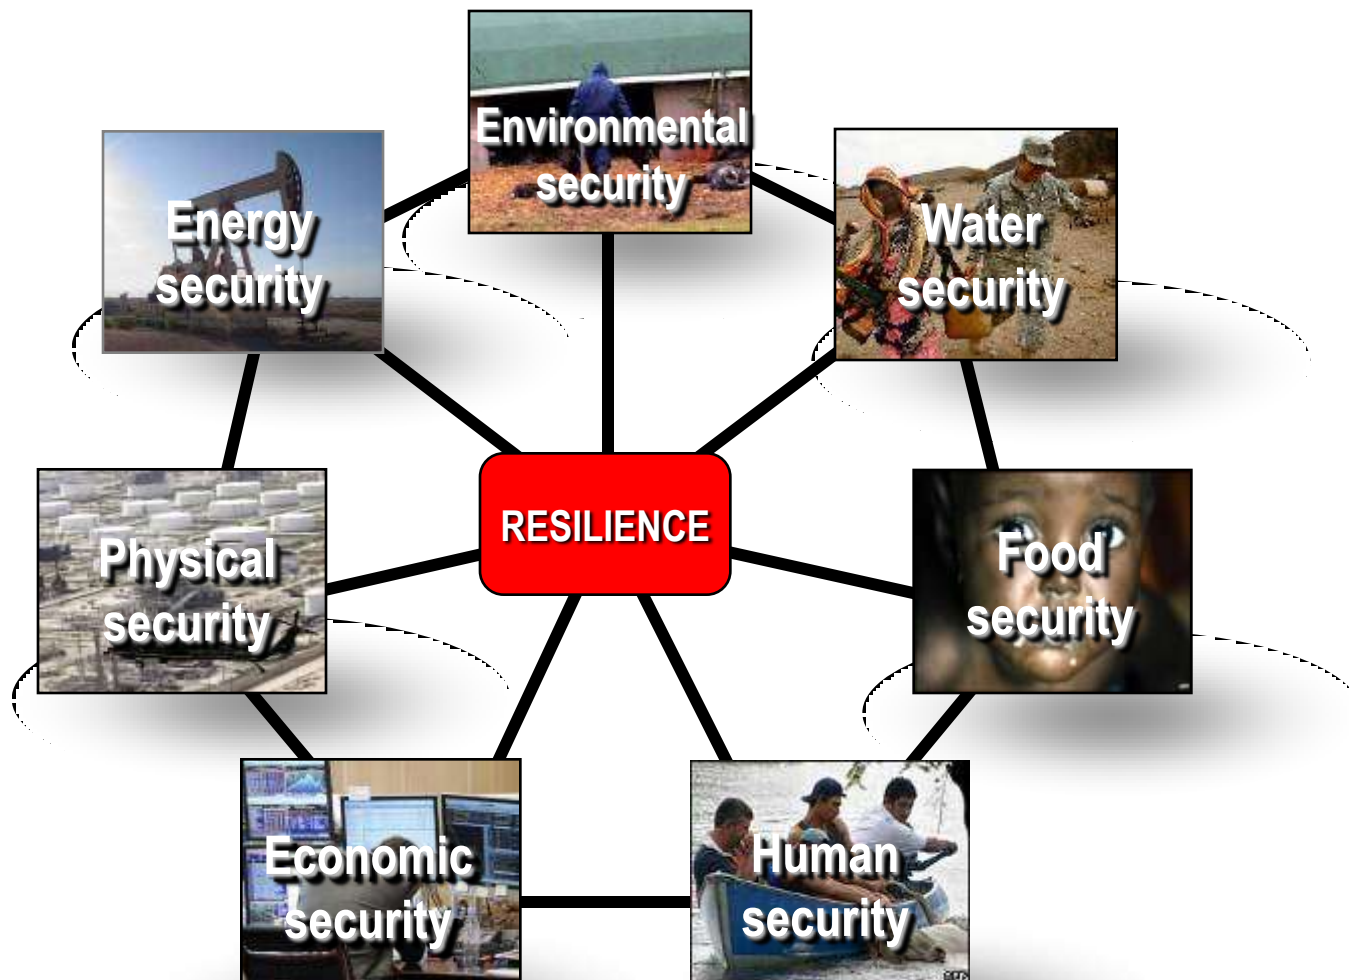

David Robson

Security ... fostering of resilience

Exploring the circle of securities

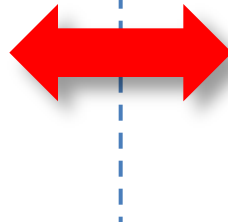

... missing the broader picture?

Mirror the threat ...

Systemic interdependencies
shape energy-water-food
vulnerabilities

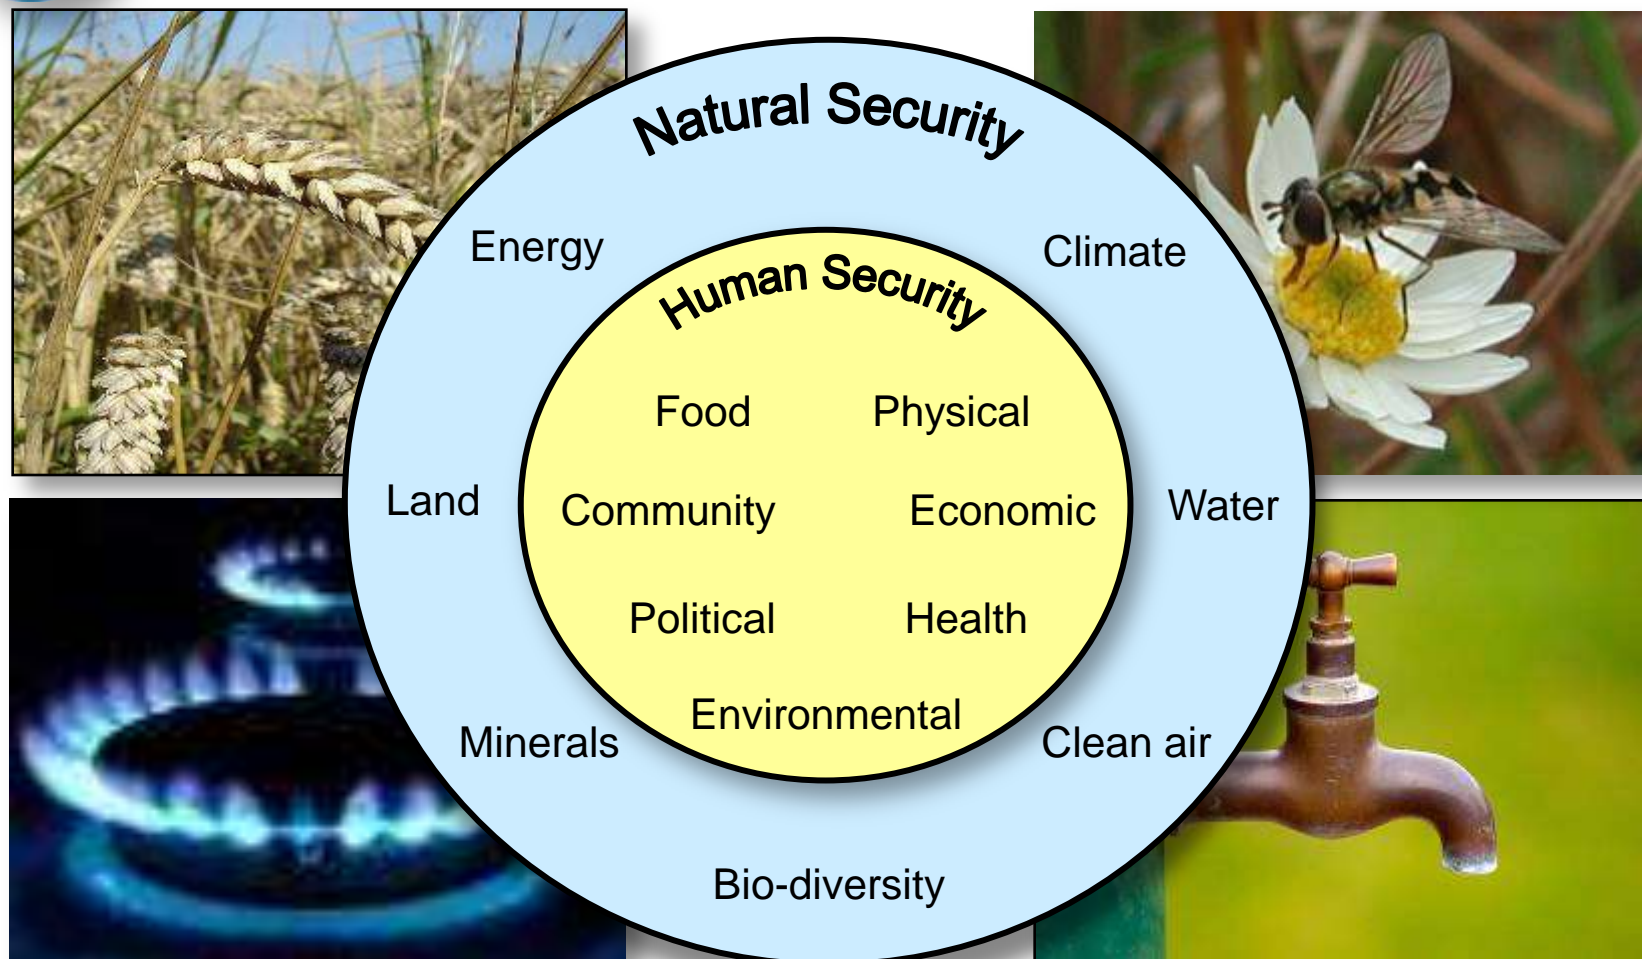

Systemic collaborations
shape energy-water-food
resilience

‘Global awareness and strategic foresight will provide the response to these challenges, linking methods for strategic forecasting and assessment of systems vulnerabilities in constantly renewed communities of diverse expertise and insight.’

Vision 2015 – A Globally Networked and Integrated Intelligence Enterprise, DNI.

Human & Natural Resource Security theme

Surprise is borne not of ignorance . . . but of expectation

Thank you
